

Kindergarten Guidelines

In order to comply with safety rules :

- Thank you for leaving each morning your child at the door of her/his classroom or at the bottom of the stairway without entering it because it blocks the flow in school. *
- Thank you for not staying in the corridor, for the same reason.
- Do not ask the teacher orally for an appointment (they are supervising their class), use the « cahier de correspondance » to request a meeting.
- Mr Abrantès is at the front desk every morning to assist you, he can pass any general message regarding your child.
- The same rules should also be respected at the end of the school day at 16h30.

* please make sure that your child has gone to the bathrooms before leaving him/her with the person in charge.

For the children's wellbeing :

Parents who stay lately in front of the school after their children have been dropped off are seen by them (going to the bathrooms, sport, other classes, etc.). This causes difficulties for the teachers since the children are more often agitated upon seeing their parents outside.

For smooth coordination of our school's safety rules, please respect these guidelines.
